TERMS AND CONDITIONS OF SALE

- 1. Order.** Submission of this form is an offer to purchase. Nexus TCG will acknowledge the offer in writing and issue a deposit invoice. A binding order exists, and the order is confirmed, only when the reservation deposit has been received in cleared funds. This form and its prices are valid until the cut-off dates stated on it.
- 2. Allocation.** All products are supplied subject to allocation by the manufacturer's regional distributor. Quantities on this form are requested quantities. Nexus TCG will notify the buyer in writing of confirmed quantities per line. Where confirmed quantities are lower than requested, orders are filled in the sequence in which reservation deposits were received. Nexus TCG accepts no liability for shortfall against requested quantities.
- 3. Reservation deposit.** The reservation deposit is calculated per case on every line and is payable against the deposit invoice. It is non-refundable and is credited in full against the balance invoice. Deposit paid on any line may be applied against the balance due on any other line of the same order. A cash refund of deposit is made only where the net deposit paid exceeds the total value of confirmed units on the whole order, or where confirmed allocation on the whole order is nil. Refunds are made to the originating account, net of transfer charges, within 14 working days after the supplier confirms final allocation, which is expected approximately 14 working days after the release date.
- 4. Balance.** The balance is invoiced for confirmed units only and is due in cleared funds no later than 7 days before the confirmed release date notified in writing. Where the balance is not received within 3 days after the due date, the reservation deposit is forfeited and Nexus TCG may release the allocation for resale without further notice.
- 5. Currency.** Prices are maintained in Malaysian Ringgit and invoiced in United States Dollars. The USD amount on each invoice is fixed at the Wise mid-market USD to MYR rate on the date of that invoice. USD amounts shown on this form are indicative only. Where a buyer requires a USD price fixed at order date, that price is re-fixed if the rate moves by more than 2% between order confirmation and the balance invoice date.
- 6. Prices.** Prices are per unit, ex works Kuala Lumpur, exclusive of freight, insurance, duties, taxes and bank charges. Prices are based on supplier costing at the date of this form. Where the supplier revises its cost before the balance invoice, Nexus TCG may revise the price of the affected line by the same amount on written notice; if the increase exceeds 10%, the buyer may cancel that line within 3 days of notice and the deposit on it is credited or refunded within 14 working days. Any downward supplier adjustment before the balance invoice is passed through in full. Prices and this form are confidential to the buyer and may not be published or circulated.
- 7. Whole cases and payment.** Orders are accepted in whole manufacturer cases. Variant ratios within a case are as packed by the manufacturer and cannot be selected. Payment is by bank transfer only, in USD, net of all sending and intermediary charges; card, PayPal and cheque payments are not accepted. Nexus TCG may decline or reduce any order before confirmation without giving reasons.
- 8. Release dates and supply failure.** Release months are supplier estimates. Nexus TCG will notify a confirmed release date in writing and the balance due date runs from that notification. Manufacturer or distributor delays do not entitle the buyer to cancel or to a refund of deposit. If the manufacturer or distributor cancels or fails to supply a line, Nexus TCG's sole obligation is to credit or refund the deposit paid on that line under clause 3.
- 9. Delivery.** Goods are delivered EXW Kuala Lumpur. Where Nexus TCG arranges international freight it does so as agent for the buyer, at cost, on DDU terms. Risk passes to the buyer when goods are handed to the carrier. Import duties, VAT, brokerage and destination charges are for the buyer's account. The buyer is responsible for confirming that the products may be lawfully imported and resold in the destination country.
- 10. Condition.** Goods are supplied factory sealed as received from the distributor. Claims for transit damage or shortage against the packing list must be notified with photographs within 48 hours of delivery. Cosmetic variation in outer packaging is not a defect.
- 11. Cancellation.** Orders may not be cancelled after confirmation. Where the buyer fails to pay the balance, clause 4 applies.
- 12. Title.** Title to goods passes on receipt of payment in full. Until then Nexus TCG retains title and may recover the goods.
- 13. Resale and trademarks.** The buyer purchases for resale in its own name and at its own risk. Nexus TCG makes no representation as to resale value in any market. Nexus TCG is an independent wholesaler and is not an authorised distributor of, or affiliated with, The Pokémon Company International or Nintendo; product names and marks are the property of their owners and are used for identification only. Products are English edition unless stated.
- 14. Liability.** Nexus TCG's liability under any order is limited to the amount paid by the buyer for the affected goods. Nexus TCG is not liable for loss of profit, allocation shortfall or consequential loss.
- 15. Law and jurisdiction.** These terms are governed by the laws of the State of Wyoming, United States, without regard to its conflict of laws rules. The United Nations Convention on Contracts for the International Sale of Goods does not apply. Any claim by the buyer shall be brought exclusively in the state or federal courts sitting in Laramie County, Wyoming. Nexus TCG may in addition bring proceedings for unpaid sums in the courts of the buyer's place of business.
- 16. Entire terms.** These terms, the order form face and the Nexus TCG order confirmation form the entire agreement. Buyer terms are excluded. Amendments are valid only in writing from Nexus TCG.
